**Re: Cancellation of Distribution of the Textbooks by Home Visit**

We scheduled the distribution of the new grade textbooks including the method of home visit in the previous letter.

However, we have to cancel the method of home visitation to drop off the textbooks due to the Declaration of a State of Emergency and from the perspective of protection from infection due to the increasing numbers of COVID-19 cases in Okinawa. We are going to hand over the textbooks **only** at school.

We appreciate for your understanding and cooperation by coming at school within the 3 days period as stated in the previous letter (April 18<sup>th</sup>, April 20<sup>th</sup>, and April 21<sup>st</sup>).

If you are not available in those days, please contact us. We would like to respond individually. Thank you for your cooperation.
